Teachers for the summer camp

# Day 1

The very traditional beginning of the summer camp with the ice breaker games having all the teachers. The session started with storytelling by UshaBalasundaram, the bharatanaytam workshop by SanjanaArun. The kids were really excited to show their talent for the optical illusion art work by RachnaSingh. Photography with nature by Gavin Tixiera was another interesting aspect for the kids. All kids enjoyed the lunch and then followed RadhaPrasanna in the Kuchipudi workshop. The creative mehendi art by SweathaBalasundaram and Saloni Bhaskar was really a good end for the day 1.
